Founded in 2007, **Mattapoisett Community Sailing Association** (MattSail) is **nonprofit community based organization** dedicated to promoting the sport of sailing. To this end, we started by creating the **William E. Mee Youth Sailing Program** as our flagship program. In the summer of 2007, we provided 15 students, 9-14 years old, with two weeks of sailing instruction. In 2008, we expanded the program to 72 students, 6 weeks and 6 instructors and launched a two week Adult program with six students. In the fall of 2008, we created the first sailing club at **ORR High School** with 9 students and have set a near term objective of developing the club into a team scholastic sport.

As a 501(c)(3) nonprofit organization, **MattSail** relies on the generous support of individuals and area businesses to meet its mission. The Board of Directors established several levels of membership as a way for you to support this worthwhile community organization.
